

## RADIO COMMUNIQUE

No. 027 /RC/E/GNWR/GS

The Governor of the North-West Region wishes to inform the entire population of the region that following persistent threats of street protests from activists programmed for the 1<sup>st</sup> of October 2017, together with serious risks of disturbance of public peace, breach of law and order and even insurrection,

The Government has taken stringent measures aimed at guaranteeing the protection of citizens and their properties and ensuring the integrity of the Nation before, during and after this day.

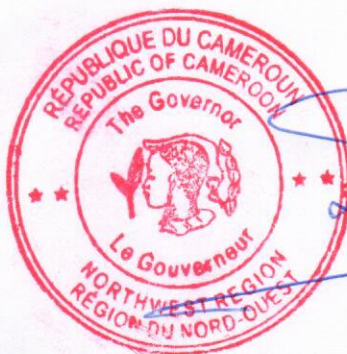

Inhabitants of the entire North-West Region are hereby strongly advised to respect the temporary limitations and restraints on their movements and should preferably stay indoors on Sunday the 1<sup>st</sup> of October for their safety.

Special security measures have been taken for school premises, pupils and students. School proprietors and principals of boarding schools are advised to keep their students on their campuses.

Parents and guardians should stay calm and steadfast as the security concerns regarding their children and loved ones have been adequately addressed.

The Governor strongly counts on the usual sense of responsibility and patriotism of the peace loving and law abiding population of the North-West Region. /-
